

[Measure What Matters: a Framework for Action Post-Event Report \[1\]](#)

Publication Date:

Wednesday, 17 August 2016 - 2:16pm

Author:

Measure What Matters

Measure What Matters: a Framework for Action brought together 150 global leaders from business, government, investor and civil society communities to explore how progress against the Sustainable Development Goals can be measured and tracked in a consistent and comparable way.

Event Report

The event report includes key takeaways from the day, summaries of the breakaway sessions and interviews with key speakers.
